## FOUNDATIONS

*Description:* **FOUNDATIONS** is a high school/college level program of preparation where students are equipped to face increasing hostilities (both internal and external) aimed at their faith as they become more independent in the transition from high school to/through college and into adult life. **FOUNDATIONS** fosters trust, growth and passion for God with a focus on,

- Biblical literacy
- Defense of the Christian faith
- Building relationships
- Walking in the newness of life in Christ

*"Let no one look down on your youthfulness, but rather in speech, conduct, love, faith and purity, show yourself an example to those who believe."  
- 1 Tim. 4:12*

*Goals:* **FOUNDATIONS** has been designed to engage our students' hearts and minds on a level that encourages 1) life transformation, 2) a firm conviction of the truth of the Christian faith, 3) an approach to contemporary cultural issues with a biblical perspective, 4) recognition of the importance of community and 5) desiring God. In combining these elements, our goal is to establish effective disciples of Jesus Christ.

*Objectives:* As goals are achieved, **FOUNDATIONS** students will be able to skillfully ground themselves in,

- The Scriptures
- Reality as God has designed it
- Knowing why they believe what they believe
- Building lasting relationships in love, encouragement and accountability
- Personal holiness
