

Pine Valley Youth

pre-school

(ages 3-5)

Description:

A loving, structured environment designed to introduce students to the Scriptures by teaching the word of God through Bible stories, basic principles and concepts such as salvation, prayer, obedience, confession, the Trinity, etc. Our gifted teachers provide lessons from the Scriptures using books of simplified Bible stories, songs and handwork activities. A special emphasis is placed upon the gospel, as well.

Goals:

Lessons are carefully designed with the goal of teaching Scriptural content, principles and concepts on a fundamental level in a way that is easy for each student to understand. In addition, it is our goal to show students how God worked in the lives of historical, biblical characters and how He continues to work in the lives of His children.

Objectives:

As goals are achieved, students will,

- become familiar with the Scriptures
- understand the importance of having respect for the Bible
- develop a love for the Lord
- develop joy in being a Christian
